| Project ID | M006B03 |
| Project Type | MEDA SCM 2003 Training Project |
| Title | International Cooperation Measures for Egypt |
| Objective | To provide university staff in Egyptian partner institutions with the necessary knowledge, skills and know-how to handle the increasingly internationalised climate of higher education through the use of seminars and a training mission. This project will enable them: - To gain an understanding of the importance of internationalisation in higher education institutions; - To give them practical knowledge and means for such activities as fundraising for international projects; - To manage and coordinate said projects. |
