August 2nd
Landesmuseum
Stuttgart**

Sunday: August 2nd Stuttgart

Sunday: August 2nd Mercedes Museum Stuttgart

The third workshop in Würzburg built upon many of the main issues that were discussed at the first two workshops in Cairo. It focused on students' exchange, selection process, internships and tutorships.

The German and the Egyptian sides held detailed discussion about the final form of the MoU that will be signed in November 2015. The discussion formulated common vision on the future collaboration between the two universities and the wishes for the second year. It was an extremely successful event.
